Shall the Nebraska Constitution be amended to include a new section which provides: "All persons shall have a fundamental right to abortion until fetal viability, or when needed to protect the life or health of the pregnant patient, without interference from the state or its political subdivisions. Fetal viability means the point in pregnancy when, in the
A vote "FOR" will amend the Nebraska Constitution to provide that, except when a woman seeks an abortion necessitated by a medical emergency or when the pregnancy results from sexual assault or incest, unborn children shall be protected from abortion in the second and third trimesters. A vote "AGAINST" will not amend the Nebraska Constitution in such manner. Shall the Nebraska Constitution be amended to include a new section which provides: "Except when a woman seeks an abortion necessitated by a medical emergency or when the pregnancy results from sexual assault or incest, unborn children shall be protected from abortion in the second and third trimesters."	requirements; and (6) establishes enforcement powers and a civil cause of action for violations. A vote *AGAINST* means such a statute will not be enacted. Shall a statute be enacted which: (1) provides eligible employees the right to earn paid sick time for personal or family health needs; (2) entitles employees of employers with fewer than 20 employees to accrue and use up to 40 hours of such time annually and those employed by employers with 20 or more employees to accrue and use up to 56 hours of such time annually; (3) specifies conditions regarding paid sick time; (4) prohibits retaliation against employees for exercising such rights; (5) adopts documentation requirements; and (6) establishes enforcement powers and a civil cause of action for violations?	such activitles? For Against Initiative Measure 439 A vote "FOR" will amend the Nebraska Constitution to provide that all persons shall have a fundamental right to abortion until fetal viability, or when needed to protect the life or health of the pregnant patient, without interference from the state or its political subdivisions. Fetal viability is defined as the point in pregnancy when, in the professional judgment of the patient's treating health care practitioner, there is a significant likelihood of the fetus' sustained survival outside the uterus without the application of extraordinary medical measures. A vote "AGAINST" will not amend the Nebraska Constitution in such manner. Shall the Nebraska Constitution be amended to include a new section which provides: "All persons shall have a fundamental right to abortion until fetal viability, or when needed to protect the life or health of the pregnant patient, without interference from the state or its political subdivisions.
